TO MOVE PEOPLE
FROM POVERTY TO POSSIBILITY

THE COMMUNITY BUILDERS CLUB

The role of United Way of Grand Forks, East Grand Forks, and Area is changing in our community. We are becoming more than a fundraising organization—we are a community builder. United Way is mobilizing our community to make sustained changes that will improve the lives of the people who live here.

lead-er-ship / (lee-der-ship), noun

1. The action of leading a group of people or an organization.
2. The state or position of being a leader.

Synonyms: guidance, lead, direction, management.

LEADERS IN GIVING

In every community there are individuals with the talent and the strength to succeed in their chosen endeavors. Among those individuals are a special few who share their success with others. The contributions of these leaders create the essential foundation and underlying support of the United Way campaign.

United Way's Community Builders Leadership Giving Club would like to recognize and thank donors for their generous support. We salute the members listed in the following pages for their spirit of leadership and community—they are providing a strong framework for our future.
